## **software engineer**

Tucson, AZ 85745

[sandy-sanders@msn.com](mailto:sandy-sanders@msn.com)

4802999883

I am updating my software skills by taking HTML, CSS, JavaScript, and Python. I am in an online class for full Stack programming and another for Cybersecurity. I am pursuing my passion for technology and learning with the desire to put these to work in the software/technology field

Willing to relocate: Anywhere

Authorized to work in the US for any employer

## Work Experience
